Glencross, in his first year with the Calgary Flames will raise funds in support of Calgary Crime Stoppers. The event is off to a great start thanks to title sponsor, PennWest Energy.

"We are extremely enthusiastic to have Curtis Glencross support this initiative. Proceeds from the Glencross Invitational in support of Calgary Crime Stoppers Association "*solving crime one tip at a time*" initiative, will be used specifically to heightened community awareness by educating citizens on the options available for making anonymous tips and providing valuable leads on crimes," says Roger Monette, Tournament Chair and Vice President of Calgary Crime Stoppers Association.

Sponsorship opportunities for the Glencross Invitational are limited! Monette is confident the event will be sold out once the official announcement is made. For further information or interviews please contact:
